

Bermuda Grass Calendar

SW - Spot treat weeds ** SP - Spray Pre-Emergent ** SC - Scalp Lawn ** AR - Aerate
 SF - Spray Fertilizer ** (Super Juice) H - Humic Treatment ** BG Bug Inspect & Treatments
 OF - Organic Granular ** GP - Granular Pre-Emergent ** FG - Fungicide

This calendar is based on weather patterns and soil temps in Georgia. You will need to adjust the "circle" outer ring based on your ZONE and region. Example In Florida you may have to roll March treatments up to February and so on.

Visit the website for FULL and detailed instructions and tips.
 We clear up a LOT of question there with full breakdowns.
